The first commercial typewriters were introduced in 1874, but did not become common in offices until after the mid-1880s. The typewriter quickly became an indispensable tool for practically all writing other than personal handwritten correspondence. It was widely used by professional writers, in offices, and for business correspondence in private homes.

Boy Scout Handbook is the official handbook of Scouts BSA. It is a descendant of Baden-Powell's original handbook, Scouting for Boys, which has been the basis for Scout handbooks in many countries, with some variations to the text of the book depending on each country's codes and customs. The original edition of the handbook was based on Baden-Powell's work.
