Ask Siri to send a message on your iPhone, play your favorite TV show on your Apple TV, or start a workout on your Apple Watch. Whatever it is, Siri can do it for you — and on any of your Apple devices. All you have to do is ask.

Use Siri on all your Apple devices - Apple Support

The trade off in being more stable and easier to use is having less customization and ability to expand. While it is great that each app is checked by Apple before being released into the app store, and iPad users can rest a little easier knowing that it is harder for malware to get onto their device, this approval process does lock out some apps that would be useful.
