ThinkCentral

The Singapore Math Primary Mathematics curriculum features the Concrete > Pictorial > Abstract approach. Singapore Math students begin by learning through concrete and pictorial means before moving into abstract thought and development, which encourages an active thinking process, communication of mathematical ideas and problem solving skills.

Singapore Math Homeschool Curriculum - Christianbook.com

Hi Courtney, I haven't done a full review of MEP, but it looks like a solid conceptual program, similar to Math Mammoth or Singapore. It's also very strong on teaching mathematical thinking, but without being quite so difficult as Beast Academy.

How to Choose Homeschool Math Curriculum

We tried other programs but struggled. Math Mammoth gives simple easy to understand instructions and the mastery approach means my son has a chance to get a good grasp before moving on to new lessons. we tried Saxon but it was very difficult always trying to find more work because they only gave a few problems with that lesson and then suddenly jumped to another.

Featured Ungraded, Multi-level Resources - Composition Resource Writing and Rhetoric Series. The goal of the Writing and Rhetoric series is "to prepare students for rhetoric, which is the art of writing well and speaking persuasively" (Writing & Rhetoric: Fable, p. x). Many classical educators have begun to implement the progymnasmata, the ancient classical exercises for teaching these skills.
